

Attain Talent

Supporting the missions that impact the world by placing top talent

Attain Talent provides innovative recruiting services, aligning quality talent with clients looking to make a positive real-world impact in the nonprofit, education, and technology industries.

We specialize in direct-hire recruiting services for organizations in the nonprofit, education, and technology fields. We bring more than 25 years of industry-leading experience placing skilled professionals across several areas, including:

- ▶ ERP (Workday, Oracle, etc.)
- ▶ CRM (Salesforce, Dynamics, etc.)
- ▶ Finance and Accounting
- ▶ EdTech
- ▶ Management Consulting
- ▶ GovCon (Functional, Technical, and Cleared Roles)

Why Attain Talent?

With extensive experience in both corporate and professional search environments supporting nonprofit, education, and technology clients, our high-performance recruiting team has the expertise and agility to successfully attract in-demand talent. We have a proven track record of placing top talent across multiple industries, serving nearly 150 nonprofits, 70 of the top 100 US research institutions, 100% of Ivy League schools, as well as GovCon and other industries, all while providing clients with competitive pricing.

Our Approach

Attain Talent uses an individualized approach to develop a deep understanding of our clients' needs and their business. Our extensive search process enables us to source and identify the most qualified candidates for the job, providing a white-glove candidate experience throughout the process. Through our diligent work, our team makes it simple for clients to assess and select top-tier talent that will become valuable members of their company.

Our Value Add

Through our portfolio of companies, we have a vast, broad-ranging network within the consulting industry and private equity community, as well as partnerships with various nonprofit, education, and technology organizations.

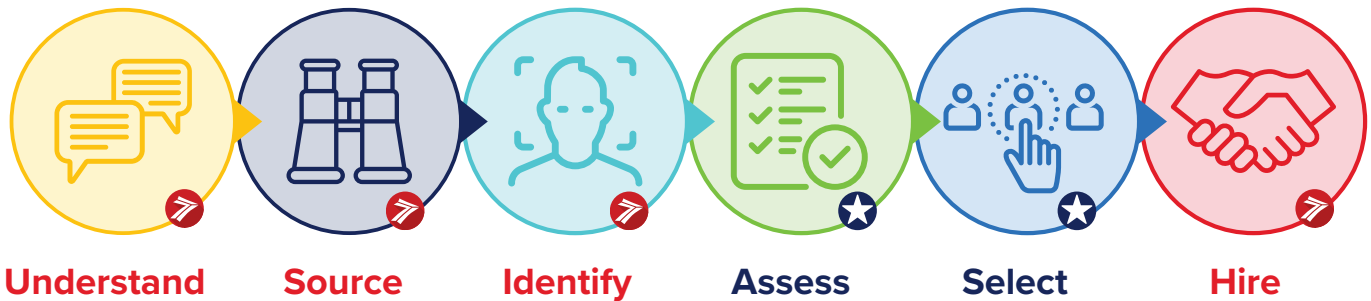

Attain Talent

➤ **Attain Partners**

Our Process

We take the time to **understand** your business and unique hiring needs. We then **source** and attract a select group of qualified candidates from our talent pool. We **identify** and downselect candidates for your review. You conduct interviews and **assess** the candidates proposed by our team, and make the final candidate **selection**. To close the effort, we guide the candidate and the client through the offer negotiation process to ensure a successful **hire**.

Testimonial

“Attain Talent has been a true joy to work with and an incredible asset to our entire team. They have taken the time to understand our company and culture, and they’ve found us amazing talent with quick turnaround times. They have been absolutely instrumental in the growth of our company.”

—Mukta Pandit, President and
Founder of Safal Partners

Our Team

Jenny Rice (Associate Director, Talent Acquisition) is a seasoned, hands-on recruiting leader with a longstanding record of building high-performance recruiting teams.
