Optimize your research administration functions with our embedded talent solutions. With our expertise in the field and commitment to quality, we provide the support you need to navigate transitional periods while maintaining high quality service for researchers.

Key Benefits

Expertise in Pre-Award and Post-Award

Our interim staffing consultants bring an average of 10+ years of direct experience in grants management, including all pre-award and post-award responsibilities, and managerial duties. This level of expertise ensures that your projects consistently meet all necessary standards and requirements.

Swift Staffing Solutions

Our extensive network allows us to quickly identify and place qualified consultants who can hit the ground running, typically within 2 – 4 weeks.

Flexibility and Scalability

With our services, you can quickly adjust staffing levels according to organizational demands. When your organization is facing unexpected vacancies, our interim solutions allow you to scale your team in real time to meet these challenges with minimal disruption while maintaining productivity.

Focus on Strategic Operations

With interim staff managing day-to-day administrative tasks, your leadership team can focus on strategic initiatives and research advancements.
