

# Clinical Research Services

## THE CHALLENGE

Slow study activation, complicated trials, revenue leakage, and patient recruitment hurdles are hindering your clinical research potential.

## KEY BENEFITS

- ▶ **Rapid Study Activation**
  - Feasibility & Site Selection: Expert assessment to identify optimal sites and accelerate study initiation. Helping organizations operationalize decentralized clinical trials.
  - Regulatory Support (IRB): Streamlined IRB submissions and approvals for faster regulatory clearance.
  - Study Start-Up (SSU): Comprehensive SSU services, including:
    - Coverage Analysis: Accurate and efficient analysis to ensure proper billing and compliance.
    - CTMS Builds: Customized CTMS setup for seamless data management.
    - Budget & Contract Negotiation: Timely and effective negotiation to secure favorable terms.
- ▶ **Post-award Financial Management**
  - Financial Account Reconciliation: Precise reconciliation to ensure accurate financial tracking.
  - Charge Segregation: Clear and compliant charge segregation for transparent billing.
  - Invoicing & Reporting: Timely and accurate invoicing with detailed financial reports.

## OUR SOLUTION

We provide comprehensive clinical research operations support to accelerate your trials and maximize your return on investment.

- ▶ **Revenue Maximization**
  - Billing Risk Reduction: Proactive measures to minimize billing errors and ensure compliance.
  - Maximized Cost Recovery: Strategies to optimize reimbursement and capture all eligible revenue.
- ▶ **Patient Recruitment and Retention**
  - Targeted Recruitment Strategies: Data-driven approaches to identify and engage eligible patients.
  - Patient Retention Programs: Strategies to improve patient satisfaction and adherence, reducing dropout rates.
  - Community Outreach: Strategies to build trust and increase enrollment from diverse populations.
- ▶ **AI Tool Selection/Implementation**
  - Needs Assessment: Comprehensive analysis of your operational needs to identify suitable AI solutions.
  - Tool Selection & Validation: Expert guidance in selecting and validating AI tools for various clinical research applications.
  - Implementation: Seamless integration of AI tools.

## WHY CHOOSE ATTAIN PARTNERS?

- ▶ **Experienced Team:** Our team of clinical research professionals has extensive experience in managing complex clinical trials.
- ▶ **Technology-driven Approach:** We leverage the latest technology to optimize efficiency and improve outcomes.
- ▶ **Tailored Solutions:** We provide customized solutions to meet the specific needs of your organization.
- ▶ **Commitment to Compliance:** We adhere to the highest standards of regulatory compliance and data security.
- ▶ **Focus on Results:** We are dedicated to delivering measurable results and exceeding your expectations.
